

VERNA THOMPSON

Supervisor OEMC

It has been my honor to serve on behalf of City of Chicago workers and retirees for the past 3 years on our MEABF Pension Fund. I believe now more than ever we need to stay the course, stay strong and protect our retirement security in this rapidly changing economy. Values and ethics define both my personal life and at work, and if reelected to board they will continue to guide my responsibilities on the MEABF protecting our futures. I am a proud member, activist, steward and bargaining team member of SEIU Local 73. I have been humbled and honored to serve as Chairperson of the MEABF. These trying times call for diversity and vigilance more than ever, as our lives have been drastically changed over the past months with the devastating COVID-19 pandemic. I promise that if reelected I will continue to fight every single day to ensure you don't have to worry about your pension. I Verna Thompson respectfully ask for your vote.

In solidarity.
